

Native Plant Sale: A Montreat Landcare Celebration

SATURDAY, APRIL 29, 2017

9am - 2pm at Moore Center Field in Montreat, NC. Rain or shine!

(across from Anderson Auditorium)

Exactly what is a “native plant” and why should you add native plants to your landscape? Take advantage of a unique opportunity to purchase plants and learn more from the native plant experts and take part in our celebrations.

Informational session with Firewise–NC Forest Service, fairy garden demonstrations, and hands-on activities for children and parents with the NC Arboretum ecoEXPLORE program!
